Care4U provides training

to help meet the needs of carers and those who seek employment in the care sector.

OBJECTIVES:

CARE4U is an e-learning training and advice platform aimed at carers and those who seek employment in the care sector, supporting inexperienced and unemployed carers. CARE4U automatically recommends the most suitable resources for each user based on their profile and requirements. To meet their learning needs, carers can receive training and advice on the following topics:

- Common issues in caring,
- Promoting health,
- Self care and development

This content is available via documents, videos, forums and webinars scheduled through the platform based on the users' needs, so continuous interaction is guaranteed.
